

OLGA GOLIK, ESQ.
Privacy Officer & In-House Counsel
Citrus Health Network, Inc.
Hialeah, FL

Olga Golik, Esq. is the In-House Counsel and Privacy Officer at Citrus Health Network, Inc. She holds a Juris Doctor from Florida International University College of Law and a Master's Degree in Social Work. Ms. Golik is President of the Florida Supportive Housing Coalition. Ms. Golik has over twenty-five years of experience in the area of health, housing and community development. She has participated in statewide advocacy initiatives for persons with disabilities to have increased access to affordable housing, including the 30/30 campaign to target housing units for extremely low income persons and the special needs initiatives to set aside units and funding for persons with special needs.

Ms. Golik works for Citrus Health Network, Inc., a non-profit Federally Qualified Health Center that provides behavioral and primary care health services, as well as supportive housing programs for dependent children, youth transitioning out of foster care, homeless adults and families, and persons who have disabilities due to a mental illness. Citrus also serves as the lead agency contracted by the State of Florida to oversee child welfare services in Miami-Dade and Monroe Counties.
