

I am an alumna of Lotus Village. I first began working at Lotus Village through a program managed by the City of Miami, where I then was hired on directly by Lotus. I was about 19 years old at the time, and I started out as a Program Coordinator. As of today, I work alongside the data team at Lotus Village and am also the Lotus Village Voices Podcast host. I have worked with brands like L'Oreal, Armani Beauty, Urban Decay, Kiehl's and many more high-end makeup corporations to host a beauty event for the women at the shelter. I also had the opportunity of hosting, alongside my amazing team, the Lotus Village annual Prom for women who did not have the opportunity of attending theirs.

I am currently in the process of attaining my Nursing Degree. In my spare time, I enjoy reading books, listening to and making music, meditating and decorating for the holidays at Lotus House.
