

Carly Grimm is the Director of Lotus Endowment Fund, Inc., the 501(c)(3) supporting foundation for the Sundari Foundation, Inc. and its initiatives, including the Lotus House Women's Shelter and the future Children's Village.

Carly has focused much of her career on urban development and quality of life issues, beginning as Program Officer for the Washington D.C. nonprofit Partners for Livable Communities.

Carly returned to Florida to practice law at a large Miami law firm in the area of land development and government relations, focusing on residential, commercial, and transit-oriented developments in the region. Carly remains an active member of the Florida Bar.
